THINGS BREAK...
Repair was considered to be...

difficult
hard to find
expensive
dirty and boring
Repair is...

often easy
fun
cheap
How to...

- find volunteers
- select a venue
- collect tools
- create publicity
- safe working environment
- cover liability
- etc.

Start your own

Want to start your own Repair Café? You can!

The Repair Café Foundation supports local groups around the world to start their own Repair Café.

For a voluntary one-off fee of €49 we offer the following digital starter kit:

- the extensive Repair Café manual with everything you need to know to start your own local Repair Café. This step-by-step manual is based on our years of experience, and guides you through all the different stages of setting up your own Repair Café: from finding local repair experts and a suitable location, to collecting the right tools, creating publicity, finding funds for your initiative etc.
- our logo to use in all communications about your local Repair Café
- templates for announcement posters and flyers

Most common Senseo problem: magnet in float gets rusted
Our plea:
Durable and repairable products that fit into the circular economy
Chris Lee, Royston Repair Café:

“Repair Cafés have a wider role to play than connecting broken items with repairers; it’s connecting people with each other. Repair Café slows you down a little bit, it creates a sense of togetherness.”
Successful repair makes you feel strong.
